A quote from to help define their voice and personality.

Spends day reading books and doing courses in things related to businesses. Reads the news first thing with his coffee. Reads the news on flipboard than on tv in paper. Gets income from properties he owns and from selling things on sites such as amazing.ebay style. Networks with business owners and top level people to find opportunities to invest in and assists with business decisions for expansion. Doesn't like to be in a place for too long and likes to work from different countries.
